

FUNDING PROPOSALS, GRANTS AND SPECIAL PROJECTS

The Board is to be kept informed of all possible sources of state, federal and other special funds outside regular district sources for the support of the schools and/or for the enhancement of educational opportunities in the district.

To ensure coordination and avoid confusion in developing proposals and making application for specially funded projects all proposals must be submitted to the superintendent for review.

The superintendent shall submit all proposals for federal aid and special grants for approval by the Board.
