

Professional Staff Supplementary Pay Plans/Overtime

Teachers who are regularly assigned to duties which require extra time or responsibilities over and above their basic contractual obligations shall receive extra compensation in accordance with a supplementary salary schedule set annually by agreement between the Board and representatives of the certificated staff. Most stipends shall be paid on an annual or seasonal basis, although certain assignments performed at irregular or infrequent intervals may be paid at an hourly rate.

District employees to be appointed to extra-pay positions shall be approved by the superintendent. Appointees shall be issued an extra-pay position agreement for the terms of the extra employment, stating their particular assignment, its duration and the compensation to be paid.
