Student Name: _____ Student ID # _____
(Leave Blank)

The student and his/her parent(s) or guardian acknowledge that the Monte Vista School District has the right to perform random drug and alcohol testing on students who wish to exercise the privilege of participating in athletic/extracurricular activities.

The student and his/her parent(s) or guardian understand that as a condition of the student being allowed to participate in extracurricular activities in the District, the student may be required to undergo and successfully pass an unannounced random screening for alcohol, illegal drugs or other banned substances, as set forth in the District's Drug Testing Policy for Students Involved in Athletics and Extracurricular Activities at Monte Vista School District. The student and his/her parent(s) or guardian acknowledges that they have read and understand this policy; that parents/guardians will not be notified of the random drug testing prior to testing; and that they agree to all terms and conditions contained in the policy and procedure.

The student and his/her parent(s) or guardian hereby consents to participate in the Random Drug and Alcohol Testing Program and to the disclosure of testing results to the District's Drug Program Coordinator and parent(s) and guardians. The student and his/her parent(s) or guardian further understand that the student's refusal to submit to a drug screening will be treated in the same manner as if the student had tested positive for banned substances.

The student and his/her parent(s) or guardian may voluntarily consent to participate in the random drug and alcohol testing program and to the disclosure of testing results to the District's Drug Program Coordinator and parent(s) or guardian.

No student shall be penalized academically for testing positive for banned substances during random drug testing. The privilege of being allowed to participate in athletics/extracurricular activities in the Monte Vista School District is contingent on the signing of this consent form.

This consent form shall remain in effect for the entire school year. Any revocation of this consent form shall disqualify the student from participating in athletics/extracurricular activities for the remainder of the school year.
