

Free and Reduced-Price Food Services

The district shall take part as feasible in the National School Lunch and other food programs which may become available to ensure that all students in the district receive proper nourishment.

The administration shall establish regulations which conform with state and federal (or other) requirements regarding participation in programs for free and reduced price meals and supplementary food. Such regulations shall be presented to the Board from time to time for its approval.

NOTE 1: Registration materials that accompany the application form for students to participate under the National School Lunch Act shall include an explanation to parents that the form will be used to determine if the school is eligible for at-risk funding on behalf of the student(s). By completing the form, the parent is ensuring that the school district will receive the at-risk funding to which it is entitled. C.R.S. 22-54-112 (4).

NOTE 2: Schools that participate in the National School Lunch Program and have seventy percent or more students eligible for free or reduced-cost lunch must offer a free breakfast to each student. C.R.S. 22-82.8-103 (3)(b). The breakfast may be served at a time determined by the school, as long as it occurs after the first bell. C.R.S. 22-82.8-103 (3)(c). Small rural districts with a student population of less than 1,000 students are exempt from this requirement and there is also flexibility for other specific situations (e.g. funding decrease, before-school care programs).
