

Insurance Program/Risk Management

The Board has the responsibility for maintaining an adequate insurance program covering its buildings and grounds, fleet of school buses and employees carrying out official duties for the district. The Board also may authorize and participate in insurance programs for employees and students.

The Superintendent or designee shall annually review the insurance program and shall recommend specific insurance companies to underwrite the various insurance plans.

The insurance program shall be administered under the general supervision of the superintendent.

The administration shall make every effort to obtain insurance at the best available rates, consistent with required coverage and service, through obtaining quotes or bids.
