One year of experience on the salary schedule will be granted for ninety (90) or more days worked during any one school year in the Monte Vista School District. The anniversary date for determination of "years of experience" shall be September 1 of each year. Other applicable experience and education relating to the Food Service Director's job requirements may be considered for placement on the salary schedule on an individual basis at the time of hiring by the superintendent.

The Food Service Director works 10 months.

Food Service Director is a supervisory/salaried position and exempt from overtime.
