In the event of a life or limb threatening emergency, the injured employee will be sent to the nearest emergency facility. Follow-up care will be provided by the designated medical provider. If an employee is treated by an unauthorized medical provider, the employee will be responsible for payment of said treatment.

In the event of an injury the employee has the responsibility to:

- Read and be fully aware of district procedures regarding medical treatment for work-related injuries and illnesses.
- Report any injury immediately to the appropriate supervisor and the Risk Manager in the administration office (852-5996).
- Report an injury in writing within four working days of the accident, as required by Colorado statute, but the sooner the report the better the recovery process will be. An employee's failure to report an injury within four working days to the employer may result in the employee losing up to one day's worth of compensation for each day's failure to report. Notifying the district within 24 hours is required to minimize worker's compensation rates.
- Fully understand that employees who are treated by an unauthorized medical provider will be responsible for payment of the treatment.
- Keep all appointments. Two appointments missed in a row will warrant closing the case. Appointments may be rescheduled with timely notification.

Whenever practicable, the district will provide an alternate duty program to facilitate an employee's return to work in the event of work-related injury or illness. The alternate duty assignments are temporary and are intended to assist recovery. All assignments will be reviewed and approved by attending physicians to ensure any restrictions are being met. A timeline will be established with the employee and medical provider to determine the length of the assignment. If the employee refuses to accept the position, he/she must be informed that worker's compensation benefits can be terminated.

I have reviewed, understand, and can fulfill the requirements of this job description.

In addition, I have read and am fully aware of the district procedure regarding medical treatment for work-related injuries and illnesses.
