

## **Scope of Negotiations**

Following the granting of recognition to any organization, it is agreed that the Board, through its delegated representatives, will meet with representatives of the recognized teacher organization to negotiate matters of salary, leave, insurance and a maximum of five additional items to be proposed by each side which are not covered in existing Board policy.

In adoption of this policy, the Board hereby declares that nothing contained herein is intended to be so construed as to delegate or limit the powers, duties, discretions or responsibilities of the Board of Education as prescribed by the Constitution and laws of the State of Colorado. If any provision of this policy shall be found contrary to law, such provision or application shall have effect only to the extent permitted by law.
