

Student Concerns, Complaints and Grievances

Decisions made by school personnel that students believe are unfair or in violation of pertinent Board policies or individual school rules may be appealed to the principal or a designated representative or by following the specific appeal process created for particular complaints. This procedure is not meant to be used for civil rights complaints.

Grievance procedures (Policy AC-R-1, Policy AC-R-2 and Policy AC-E-1) are available for students to receive prompt and equitable resolution of allegations of discriminatory actions on the basis of race, color, sex, religion, national origin, ancestry, creed, age, marital status, sexual orientation, genetic information, disability or need for special education services in admissions, access to, or treatment, in educational programs or activities.
